Dear Premier,

“Opera house” style yabby traps - Reminder

Attached is a copy of letter I sent through your “contact email” website on 2 September 2020. To date, I have not received an acknowledgement or a reply. Can you please advise the reasons for your lack of reply, and more importantly why your government continues to delay banning the use of “opera house” style yabby traps in New South Wales. Could it be that your government has abandoned its efforts to ban these traps?

A handwritten signature in black ink, appearing to read "P. Gibson".
