Central Coast Fly Rodders will host the event on behalf of the NSWCFR at Lake Glenbawn on Friday 17 to Sunday 19 March 2023. Club teams will compete in catch and release fly and lure fishing, and fly and lure (plug) casting, in the quest to win the NSWCFR Club Teams Perpetual Trophy. This is a social weekend that provides the opportunity to share the love of fishing and to engage as teams in friendly competition.

This is an important fund-raising activity for the NSWCFR and is critical to support its ongoing work to promote, support and improve freshwater fishing in NSW. Entry fees will be minimal to support event overheads and will include a Saturday BBQ lunch and Sunday brunch. Raffles will be held to raise money for the NSWCFR.

Competitors will be responsible for their own accommodation. The Lake Glenbawn campground has plenty of camping/caravan sites but it would be wise to book early. For info see their website <https://bookings.reflectionsholidayparks.com.au/lakeglenbawn> and also Lake Glenbawn Holiday Cottages at <http://www.lakeglenbawncottages.com.au/>.

There will be prizes awarded for individual achievements in the competitions but the main objective for competitors is to gain team points and win the Club Teams trophy.

Specific event details will be provided in due course but at this stage we are seeking expressions of interest from clubs wishing to participate. Please advise if your club will join us and if so, likely numbers attending and a club contact. Email us at interclub.ccr@gmail.com.
